

Ultimate home Wi-Fi

Online safety, time limits & more

Go ahead. Relax.

We're putting the control back in your hands.

With Northern Lights Fiber's ExperienceIQ you can:

- Restrict searches on Google, Bing or YouTube
- Block specific websites and restrict sites with inappropriate categories such as pornography or violence.
- Turn on/off access to apps such as Snapchat by individual devices.
- See where time is spent online.

Let them explore, with ExperienceIQ™ now!
